I love to share, share, share my toys  
I love to share, share, share my toys  
I love to share, share, share my toys  
Won't you share with me?

I love to share, share, share my snacks  
I love to share, share, share my snacks  
I love to share, share, share my snacks  
Won't you share with me?

I love to share, share, share my books  
I love to share, share, share my books  
I love to share, share, share my books  
Won't you share with me?

I love to share, share, share my toys  
I love to share, share, share my toys  
I love to share, share, share my toys  
Won't you share with me?

I love to share, share, share my snacks  
I love to share, share, share my snacks  
I love to share, share, share my snacks  
Won't you share with me?

I love to share, share, share my friends  
I love to share, share, share my friends  
I love to share, share, share my friends  
Won't you share with me?  
Won't you share with me?

I love to share, share, share my friends  
I love to share, share, share my friends  
I love to share, share, share my friends  
Won't you share with me?

I love to share, share, share my books  
I love to share, share, share my books  
I love to share, share, share my books  
Won't you share with me?
